

# Hi! Welcome to SJSU Institute of Industrial Engineers,

Below is a little about who we are and everything the club offers to improve your college experience. Our officers are excited for you to join us for a fun and successful year!

## SJSU IIE: your on-campus ISE community

**Our Vision:** SJSU IIE offers its members personal and professional contact opportunities, fostering individual growth, encouraging student involvement, and acclimating them to the IE environment.

**Our Mission:** SJSU IIE provides professional and academic partnership through personal friendships, in a comfortable, student-driven environment. Club activities provide members with lasting relationships that facilitate transition into the professional arena.

**Our Clubroom, E 208:** our home away from home - you can even get snacks & chilled drinks to keep you going!\*

### Study Area:

- Tables & White Boards - a great study group meeting space
- Clubroom calendar - updated monthly with SJSU IIE events, ISE midterms, and holidays
- Computers - online and available for homework on ProModel, MiniTab, Lindo, MS Word, Excel, PowerPoint, and Visio
- Printer - available free to IIE members
- Copier - for B&W or Color copies
- Library - ISE textbooks and charts for reference

### Social Area:

- Lockers - available free every semester to IIE members
- Couches - unwind, have a chat, or snooze a bit!
- Refrigerator, Microwave, and Toaster - for your lunches and dinners on those long schooldays

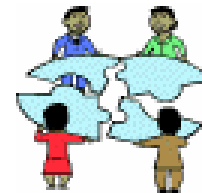

**Our Minnie Mart snacks:** just for pocket change!

- Clubroom Minnie Mart Corner - here you can pick your ice cold soda or water straight from the 'fridge and toast your PopTarts ☺
- The Moving Minnie Mart - we bring the snacks to you in most ISE classes, all in 50¢ items

**Our Bi-Weekly Club Meetings:** we'll meet every other week to get to know each other better and give you tip-offs on what's going on in the professional world and at SJSU

- Social & Relationship Building: fun icebreakers and games to bond with classmates outside of lecture and lab
- Academic: updates on organized study groups and campus events
- Professional: a career-related tip at every meeting

## IIE: the international organization, [www.iienet.org](http://www.iienet.org)

As a student member for \$30 per calendar year\*, you can join this leading non-profit association in the development of Industrial Engineering.

- Tap into a worldwide directory of IE professionals
- Receive a monthly magazine on current industry issues
- Save with student discounts on professional seminars.

\* Please send your name and phone number for a door code or locker to Verity at [veritygraph@yahoo.com](mailto:veritygraph@yahoo.com)

♦ On [www.iienet.org](http://www.iienet.org) click "Join IIE," then "Join as a Student Member," fill out the application, and pay online or by personal check mailed from home
