

Get a UNIX account here:

<https://unix.engr.sjsu.edu/wiki/doku.php>

read/follow the tutorial on linux/unix:

<http://www.engr.sjsu.edu/~dparent/ICGROUP/UNIX.pdf>

Complete the following tutorial:

<http://www.engr.sjsu.edu/dparent/ee221/sentaurus2.pdf>

Turn in a few screen grabs to show you have completed the tutorial.

I have access to the license logs so I can tell if you really did it or not.

If you are caught turning in work not your own, you will be reported to the university.

Attendance will be proved by turning in this homework. Failure to turn it in will result in you being dropped from the class.
